

# Quick Start Sheet - Obtaining access to the Transportation Data Marketplace

## For Coalition Member States, Associates, Affiliates, Universities and Approved Sub-Contractors

### Step 1 – Confirm Agency Membership

### To become an associate or affiliate member of the Coalition

Send an e-mail to Patty Reich requesting membership in The Eastern Transportation Coalition. Your request will be reviewed by Trish Hendren, the Executive Director and you will receive a response in less than one week. Eligibility requirements are provided on the [Member Eligibility section of the Coalition website](#).

Patty Reich

### Step 2 – Completing a Data Use Agreement (DUA)

To complete a DUA, please contact Mai Quynh Le ([mql@tetcoalition.org](mailto:mql@tetcoalition.org)). *The Coalition DUA process is now automated.*

- Please note that State DOTs complete the DUA process only one time.
- It could take up to two weeks for the processing of DUAs.

Questions regarding TDM contracts should be sent to [Denise Markow](#).

## Access to Real-time Visualizations – Access Archived Data, PM Analytics Vendor Contact Information

### If You Want Access to Real-time Visualizations, Archived Data, and Performance Measurement Analytics:

These steps will allow you to gain access to RITIS & the PDA Suite:

First, create a [RITIS account](#) – you will need to create a RITIS account using your agency email address through this link to gain access to RITIS. After you have requested an account, UMD’s CATT Lab will verify your information and send an email with a link to activate your account. Please remember the username and password with which you register; you will not be able to activate your account without them.

**Note: Your RITIS account will only include access to real-time visualizations until you have submitted a completed DUA from Step 2 on the prior page.**

Once a DUA form has been completed, submitted, and approved, you will then receive access to the PDA Suite.

Please note that the steps listed above for access will need to be completed for each person within a consultant organization or a university who is seeking access to work on behalf of a member agency.

You are encouraged to view these [video tutorials of the PDA Suite](#). A description of all RITIS tools is available in the [RITIS Tool Catalog](#). Please contact [support@ritis.org](mailto:support@ritis.org) with any questions.

### The Eastern Transportation Coalition - Transportation Data Marketplace Vendor Contacts

First Name	Last Name	Vendor	Datasets	Email
Sheila	Steffenson	1Spatial	Conflation Data	<a href="mailto:sheila.steffenson@1spatial.com">sheila.steffenson@1spatial.com</a>
